On March 12, 2010 our own Director of Business Operations Tammi Norcutt was honored at the Aurora Chamber of Commerce Women In Business Committee as one of the Women Making a Difference. Tammi was one of the six nominees and three finalists who were recognized at the event for women who have made a difference in their business environment and in our community.

*Congratulations Tammi and thank you for all of your hard work!*

A big thank you goes to George Peck, Vice President Public Affairs of the Aurora Chamber of Commerce for the photograph and to the Chamber's Women In Business Committee for giving us the opportunity to recognize Tammi.
